Northridge News August 2009

The church has many organizers, but few agonizers... many who pay, but few who pray... many resters, but few wrestlers... many who are enterprising, but few who are interceding... a worldly Christian will stop praying... and a praying Christian will stop worldliness. Tithes may build a church, but tears will give it life. That is the difference between the modern church and the early church. In the matter of effective praying, never have so many left so much to so few...

*brethren,
let us pray."*
